# Why VELUX®?

Our blinds and shutters provide a perfect fit, long-lasting performance and beautiful designs for your VELUX roof windows.

## 1

### Designed and tested for daily life

All VELUX products are **designed and tested for real life**. Our blinds and shutters are rigorously tested by being opened and closed thousands of times and exposed to extreme weather conditions. We pull, tug, and squeeze the material to ensure your new blind retains its colour and shape through years of use. When we are happy with the design, our European factories start production.

## 2

### Easy to install and use

VELUX blinds and shutters are **tailor-made for your VELUX roof windows**. This means they always fit perfectly and are easy to install – with no measuring or cutting. The elegant, slim frame design **ensures a perfect looking result**, making the blind almost invisible when not in use.

# 3

## Your colours for your home

Enjoy an extensive choice of blind and shutter types in all styles and colours. You can even create your own customised blind shade with our **Colour by You** collection. And for choice of side channels you can now get a clean all white look.

# 4

## For safety and sustainability

VELUX blinds have **cordless designs** to ensure safety in your home. And all our interior blinds are **OEKO-TEX® certified** and guaranteed free from harmful substances. VELUX anti-heat shutters have dual functionality by protecting your room from overheating while actively deterring break-ins.

# Discover our new modern collection

From traditional loft spaces to modern kitchen extensions, the new VELUX blinds collection has an array of colours, designs and features that will suit any interior and room type.

Developed in partnership with leading trend experts, our new blind collection includes an extensive variety of fabrics, colours and designs. In addition to our ready-made blinds, the Colour by You collection allows you to create bespoke coloured blinds to perfectly match your space.

The range includes roller blinds with flat fabrics, pleated blinds with textured fabric – perfect for open-plan extensions – and classic easy-to-clean Venetian blinds for en-suite loft bathrooms. VELUX classic blackout and duo blinds offer the ideal solution for bedrooms that need daylight screening during the day and darkness at night.

Read more on page 25 or at [veluxshop.ie/colour](http://veluxshop.ie/colour)

Order **free** fabric samples at [veluxshop.ie/samples](http://veluxshop.ie/samples)

## Clean all white look

VELUX blinds are available with high-quality side channels in your choice of either brushed or white-painted aluminium.

Brushed aluminium works exceptionally well with our lacquered wood-finish roof windows while the white-painted channels become

almost invisible when paired with white VELUX roof windows. Furthermore, thanks to their UV-protection, the bright white will stay unaffected by sunlight.

The side channels are easy to install and designed to complement your VELUX roof windows beautifully.

## Blackout or translucent blinds?

**Blackout blinds** will block any incoming light, making them a preferred choice for bedrooms and children's rooms where darkness is needed for a good night's sleep.

**Translucent blinds**, allow a dimmed light to enter into the room while effectively preventing glare. Translucent blinds are suitable for many room types like living rooms, home offices and game rooms.

**Combine products  
for optimal comfort**  
Pair your blinds with  
external anti-heat  
shutters or blinds

Choose an exterior product for heat protection

# Select your level of comfort From manual to fully automated

## Manual operation

### **Simple hands-on solution**

Your manual VELUX blinds come with a clever and discreet control bar that lets you adjust the blind comfortably.

The blinds run smoothly and can be positioned anywhere on the roof window.

Enjoy seamless remote control with **VELUX INTEGRA®** electric or solar powered blinds and shutters

Upgrade your electric or solar powered blinds and shutters with **VELUX ACTIVE** for smartphone control and automatic heat protection

## Remote-controlled

### Smarter controls with VELUX INTEGRA®

Simplify your home living with VELUX INTEGRA® electric or solar powered blinds and shutters. Both versions come with a ready-to-use wall switch for fast and easy installation and operation.

Select solar powered VELUX INTEGRA® blinds and shutters for your manual or solar powered VELUX roof window. Installation is easy with no need to run cables.

Select mains powered VELUX INTEGRA® blinds and shutters for your mains powered VELUX INTEGRA® roof windows.

## Fully automated

### Let VELUX ACTIVE take care of your indoor climate

Adding VELUX ACTIVE with NETATMO to your VELUX INTEGRA® roof windows, blinds or shutters connects your VELUX INTEGRA® products so your blinds, awnings and shutters can automatically shield your home from excessive heat. Control it all with the intuitive VELUX ACTIVE with NETATMO app.

Read more on page 13

or at [velux.ie/integra](http://velux.ie/integra) or [velux.ie/active](http://velux.ie/active)

# Everyday home improvement with VELUX ACTIVE

Upgrade to a home that automatically improves your indoor climate and lets you control everything with a simple tap on your smartphone.

Read more at [velux.ie/active](https://velux.ie/active)

## Sensor-based control

VELUX ACTIVE continuously measures the room temperature, humidity and CO<sub>2</sub> level and opens VELUX INTEGRA® roof windows, blinds and shutters.

## Proactive heat protection

Based on the weather forecast VELUX ACTIVE closes the VELUX INTEGRA® exterior anti-heat shutters and blinds before the room overheats.

## Daily ventilation

Automatic ventilation ensures a fresh, healthy indoor climate. The rain sensor closes the windows automatically when it rains.

## App control

You can operate your VELUX products from the existing wall switch, on your smartphone, or even by voice commands.

## Departure switch

Allows you to quickly close all your VELUX INTEGRA® roof windows when leaving your home.

## VELUX ACTIVE starter pack

KIX 300 – €250.00

Everything you need to get started. Pack includes indoor climate sensor, departure switch and gateway.

Give your interiors a fresh update, add a splash of colour – or change the function of your room with new blinds for your VELUX roof windows. Only genuine VELUX blinds fit your VELUX roof windows perfectly – both new and old.

# Installation of your genuine VELUX blinds is easier than you think

## Install your VELUX blinds in 15 minutes

Installing VELUX blinds requires no measuring, trimming, cutting or extra tools. They are made for a perfect fit, and everything you need is included in the box.

## No need to cut or trim – just click on

Your VELUX roof windows have pre-installed brackets for your blinds. Simply click on the VELUX blind and add the pre-fitted side channels.

## No need to measure

You can find your roof window's type and size on the window frame – see how on page 50. Then you can be sure that your new blind fits your roof window perfectly without having to take any measurements.

## Easily replace your old blinds

It is straightforward to replace old blinds with new ones from VELUX. You can still order blinds that fit almost every generation of VELUX roof window.

## Do you need blackout?

VELUX blackout blinds can help you create the perfect space for a good night's sleep or a refreshing daytime nap.

**Blackout roller blind**

Pleated blinds

# Blackout energy pleated blinds

The unique design of these blinds provides up to 25% insulation all year round. Perfect for bedrooms that need blackout at night and extra insulation.

- Dual control bars allow you to adjust the blind from both the top and the bottom of the roof, letting in exactly the right amount of light\*
- Available with white or brushed aluminium side channels – simply add WL to the end of your product code to order white side channels
- Available in manual, mains or solar powered operation

- Quick and easy installation on VELUX roof windows.
- OEKO-TEX® Standard 100 certified (1076-184 DTI) – contains no harmful substances.
- Child-safe design eliminates dangling cords to improve safety.

Combine with an insect screen to keep insects from bugging your sleep.

\*For old VELUX roof window generations (VES), a ZOZ 238 installation kit is needed. For copper VELUX roof windows, a ZOZ 240 installation kit is needed. For VELUX INTEGRA® GPU roof windows, a ZOZ 229S kit is needed.

Let the light in  
while keeping  
the bugs out  
with VELUX  
insect screens

0000

Combine with an interior blind for light adjustment and exterior awning or shutter for heat protection. See pages 16-17

# Insect screen

Enjoy fresh air without the unwanted visitors. The screen is simple to operate and can be combined with any other VELUX interior blind. It stows neatly away in the slim aluminium top casing when not in use.

- 100% insect-proof material
- Transparent net fabric does not obstruct your view
- Durable, wind resistant fabric for long-lasting performance

 Quick and easy installation on VELUX roof windows.

Measure the inner wall width (A) and height (B) to find the size code and price of your insect screen.

If you have two heights (B) or heights above 2400 mm – two insect screens and one connector set Z02 157 SWL are needed.

# Order your new VELUX blind in five easy steps

1

## Locate your roof window type and size

Find your window type and size by checking the data plate placed either on the left or right side of the window frame when it is open.

See picture below for placement of type sign.

2

## Select blind type

Decide on the type of blind; Blackout, light adjustment, heat protection etc.

Go to overview page 16.

3

## Select blind operation

Select manual, mains or solar powered operation, depending on the placement and type of roof window.

4

## Select colour

Each of our blind colours has its own colour code, which you can see on the respective blind pages.

You can order free fabric samples at [veluxshop.ie](http://veluxshop.ie)

Please note: Precise colour may vary from the printed samples.

5

## Place your order

Order on [veluxshop.ie](http://veluxshop.ie), or by speaking to one of our dealers or a customer service representative.

From 2012
